Re: O'Neal, James advs. Bagley, Margaret, Warden  
Case No. MS01-02-0017

Dear Mr. Krumholtz:

I just realized to date that I have not received a Release signed by James O'Neal authorizing me to discuss the case with you. Realizing that the deposition is scheduled for Monday, November 12, 2007 at 1:30pm I would request that you forward a copy of the Release to me and/or provide it to me prior to commencing the scheduled deposition. I apologize for any inconvenience, however, I just realized that without the Release I place myself in a most uncomfortable position. Please advise. I remain;

Very truly yours,

  
John T. Keller
